

THE GRAPEVINE SELECTION

ABOUT THE GRAPEVINE SELECTION

The Grapevine Selection was initiated by the founder of Hanoi Grapevine - the Canadian artist Brian Ring exactly 10 years ago, in 2013. The series of exhibitions is an initiative that contributes to the realization of our mission of promoting Vietnamese art and culture both domestically and internationally.

With that in mind, over the past decade, Hanoi Grapevine has become a reliable archive, with a neutral role in observing and keeping a records of the cultural and artistic events taking place in the country, becoming a valuable resource, a living library, contributing to the development of the art market as well as building a foundation for the creative industry in Vietnam. In 2023, marking the post-pandemic era, we officially bring The Grapevine Selection back!

OBJECTIVES

Beside the goal of promoting young artists, supporting the arts community, and raising awareness among audiences and potential collectors, *The Grapevine Selection exhibition offers outstanding works by selected artists - new highlights in the Vietnamese art scene.*

Unlike the regular galleries or curated exhibitions with specialized themes, *The Grapevine Selection will focus on artists, works of typical representative value, placing landmarks for a long-term future of art archive and collection.* We aim to pioneer in directing the attention, monitoring and conducting research on the development of contemporary art in Vietnam.
